Review: Swarovski's Hospitality Designer Night

Swarovski Lighting Business recently hosted hospitality designers at its new, 9,000-sq.-ft. permanent lighting showroom at the Dallas Market Center. The showroom, which was designed in alliance with TVSdesign, exhibits glittering lighting displays by Swarovski and Schonbek, a member of the Swarovski Co. A silent auction of Swarovski Atelier, the luxury crystal accessories collection, was held during the soiree to benefit the Wilson Foundation. — Megan Krause
